

THE REGULAR MEETING OF THE BOARD OF TRUSTEES OF THE VILLAGE OF MONTEBELLO WAS HELD ON THURSDAY, APRIL 18, 2018 AT THE DR. JEFFREY OPPENHEIM COMMUNITY CENTER, 350 HAVERSTRAW ROAD, MONTEBELLO, NEW YORK. THE MEETING WAS CALLED TO ORDER AT 8:00 P.M. FOLLOWED BY THE PLEDGE OF ALLEGIANCE.

Present:	Lance N. Millman Melanie Golden Steven H. Beldock Evan T. Kuperman	Mayor Trustee Trustee Trustee
Absent:	Stacy Caridi	Deputy Mayor
Others Present:	Warren Berbit	Village Attorney
Recording Secretary:	Joan Will	Village Clerk-Treasurer

Mayor’s Report:

The Mayor is going to keep his report brief as the agenda is quite full. Mayor Millman would like to remind everyone that spring is here, and if there are road hazards or potholes in the roads, to please be in touch with Town of Ramapo Highway, via the Village, to let them know.

Parks Commission:

Amy Rapoport, Parks Commission Chairperson, discussed the undertaking of an endangered tree and shade tree status survey that the Commission is currently doing to identify any trees which may need to be removed or trimmed, and where there is potential to plant a new shade tree.

Chairperson Rapoport notified the Board of the condition of the Kathryn Gorman Parks trees since winter. She stated that there were several trees that have fallen as well as several that need to be trimmed.

Chairperson Rapoport reminded the Board that Arbor Day is Friday, April 27th, and that a Sugar Maple will be planted on the grounds of Village Hall.

The Chairperson also informed the Board of the Commission’s plan to hold events in the Park. The first event will be Yoga in the Park to be held at the Village Hall gazebo. Trustee Golden suggested that Chairperson Rapoport get sponsors for this.

Lastly, Chairperson Rapoport reported that she was at Congers Lake Park and noticed their trail marking sign and would like permission to inquire about that type sign for possible use in the Gorman Ponds Park.

Public Comment:

Susan Clark of 62 Montebello Road, Montebello, stated that there seems to be many beds being delivered into her neighbor’s home and she was wondering what it meant. The Mayor advised Ms. Clark that if she would like it looked into, than she should fill out a

complaint form at Village Hall for the Building Inspector to investigate. She stated that she would do so.

Amy Rapoport wanted to know if anyone from the Village has met the new management of the Spook Rock Golf Course to discuss the use of chemicals on the golf course. Mayor Millman stated that he is waiting a mutually agreed time.

Amy Rapoport directed a question to the Ramapo Police officer, PO Cooperstein, who was in attendance. She wanted to know if landscapers could dump along Route 202. He stated that he would need more information and she could contact the police when she sees it occurring.

Trustee Kuperman directed a question to PO Cooperstein regarding excessive speed near Oxford and Senator Levy Drive and requested that the area be monitored. Trustee Beldock also notified PO Cooperstein that the Kathryn Gorman Park seems to be a hangout at night and would like that area monitored as well.

Jessica Clark, 62 Montebello Road, requested that the Village add more lights on Montebello Road. The Mayor advised Ms. Clark that Montebello does not believe in unwarranted light pollution, but he would look into it.

Resolution No. 18 - 029

Village of Montebello

Title: Public Hearing Amending the Montebello Code by Combining the Neighborhood Shopping (NS) and Professional Office (PO) Zoning Districts into the NS District, and Certain Other Changes to the Uses therein in Furtherance of the 2017 Comprehensive Plan, as well as Adding a Special Permit Use into said Merged District: Animal Hospitals and Veterinary Clinics

WHEREAS, the 2017 Comprehensive Plan made several recommendations with regard to the Neighborhood Shopping (NS) and Professional Office (PO) Zoning District. These recommendations include in relevant part:

- The NS and PO land use areas are recommended to be zoned NS, with the remaining PO uses merged into the NS uses, to allow for a wider range of permitted uses in the merged district.
- The NS district uses presently include local convenience commercial (small stores and shops catering to the needs of local shoppers) and “retail boutique and specialty shops” which suggests an upscale or rare offering that is hard to define. The Plan guided that, instead, any retail sales or personal services be permitted as reflected herein.
- Museums, Libraries and noncommercial art galleries are removed as a permitted use as per the Plan as these are uses that do not further the economic development interests of the Village; and

WHEREAS, subsequent to the adoption of the Comprehensive Plan, the Village received a request for consideration of Animal Hospitals and Veterinary Clinics within the NS zoning district. The Village Board believing that this use is generally consistent with pet stores, personal service establishments and medical offices, all of which are already explicitly or implicitly permitted in the district, agreed by virtue of Resolution No. 18-020 to pursuing the

legislative changes by Special Permit, as also set forth in this amendment, including special permit criteria relevant to the control of noise and odors outside the facility as well as prohibiting outdoor kennels or overnight boarding of pets in the NS district; and

WHEREAS, the Planning Board, in its letter dated March 16, 2018, approved of the proposed Local Law without change except recommended that all of the animal kennel references be removed from it and the Code, to avoid possible confusion since such use not permitted in any zoning district; and

WHEREAS, the Village Attorney questioned the Village Clerk on the record hereat or the first day of this hearing, on March 22, 2018, and ascertained that the following Legal Notice was published in the Journal News on March 11th and was posted on March 9th at 7 places, and that said Notice and the version of said Law was provided to the Trustees and made available to the public on March 12th and therefore concluded that due legal notice had been given to open the hearing, especially to consider the recommendation of the Rockland County Department of Planning received on that day:

“NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that a Public Hearing will be held on Wednesday March 21, 2018, beginning at 8:00 p.m. or as soon thereafter as the matter can be heard at the Dr. Jeffrey Oppenheim Community Center, 350 Haverstraw Road, Montebello, NY 10901 to consider adopting Local Law No. 2 of 2018 entitled: “Merging the PO (Professional Office) and NS (Neighborhood Shopping) Zoning Districts, and other Related Changes in Furtherance of the 2017 Comprehensive Plan, as well as adding in the merged NS District as a Special Permit Use: Animal Hospitals and Veterinary Clinics”, thus amending the Zoning Local Law, Chapter 195 of Village Code, as more particularly set forth in said Local Law, but summarized as follows.

1. Consolidate the uses permitted in the NS and PO districts into a merged NS Zoning District, except for eliminating museums, non-commercial galleries and related uses, and allowing general types of retail and personal service as opposed to only “boutique” or local establishment uses.
2. Add as a Special Permit Use in the NS district, Animal Hospital and Veterinary Clinic (without overnight boarding or kennels).
3. Add definition: Animal Hospital, and Veterinary Clinic; and, Kennels.

All interested parties are invited to attend. The proposed law will be available for inspection and review at the Village Office during normal working hour, Monday through Friday, 9:00 am to 4:00 pm as well as on the Village of Montebello website www.villageofmontebello.com.

Title: Residence of Legal Staff and Related

WHEREAS, the Village was incorporated on May 7, 1986, and in the first organizational meeting which followed, the office of the Village Attorney was established by Resolution No. 86-5, filled by Resolution No. 86-6, and the office of Assistant Village Attorney was established by Resolution No. 86-7, and filled by Resolution No. 86-8; and

WHEREAS, the Village Attorney who has served since first being appointed in 1986, recollects that his position was changed to salaried, perhaps when the Village joined the Retirement System on or about 1994, the same as regards the Assistant Village Attorney position but the latter changed to part salary and part hourly as passed through to the applicants when pass through was adopted by Chapter 65 of the Village Code, and that two hourly Assistant Village Attorney positions were created to act as the Village prosecutors once the Village Justice Court was created on or about 2012, and that all such positions are renewed by reappointment at the Annual Meeting held in April of each year; and

WHEREAS, in addition, the position of substitute Assistant Village Attorney was created, on or about 2014 to fill in when the Assistant Village Attorney assigned to the Planning Board or Zoning Board of Appeals was unable to handle a pending matter, and the Village Attorney was unable or unwilling to do so in his stead, but such substitute recently experienced a scheduling conflict whereby that Assistant Village Attorney may no longer be able to attend such meetings on a regular basis; and

WHEREAS, it is unclear whether the Village Board ever established a residency requirement with respect to such positions, especially since its only Village Attorney resides and has resided within the Village, and the others have all resided within the County, such now becomes an issue because a highly qualified candidate for the substitute Assistant Village Attorney position resides and has an office in nearby Orange County, which role could expand in scope as circumstances dictate; and

WHEREAS, the Village Attorney and Mayor, who have been searching for an attorney to fill said position, report great difficulty finding experienced municipal attorneys within the Village or County who do not have scheduling conflicts with the Village's land use boards; and

WHEREAS, the Village Attorney reports no clear residency requirement in State Law, and the Village Board may act by Local Law or Resolution.

THEREFORE, BE IT RESOLVED that until further action by Resolution of this Board as circumstances then might compel, effective immediately, the residency (defined as "home or office to practice law") requirements for the Village's legal staff be set as follows:

1. Village Attorney – Village of Montebello
2. Assistant Village Attorney assigned to Planning Board, Zoning Board of Appeals, and substitute Assistant Village Attorney assigned to the same, in priority order as

is necessary, Village of Montebello, Town of Ramapo, County of Rockland, and County of Orange.

Title: Authorization of new IT Services for Village Hall

WHEREAS, The Village Clerk-Treasurer sought proposals for new IT Services and updating equipment as necessary last spring for Village Hall, and due to the elimination of previous proposals

outlined in June 2017, further negotiation lead to the receipt of the following from Delaney Computer Services, which is summarized as follows:

Vendor	Proposal	Price Quote
Delaney Computer Services <i>[Partial Proposal]</i>	Infrastructure and Management Service (access point, firewall, smart switches, remote monitoring) including email server and set up	\$1,693.75 per month
Delaney Computer Services <i>[Full Proposal]</i>	Infrastructure and Management Service (access point, firewall, smart switches, remote monitoring) including email server and set up in addition to all new computers (workstations, notebooks, & projector)	\$1,993.10 per month

(see proposals for more information); and

THEREFORE, BE IT RESOLVED, that the full proposal from Delaney Computer Services in the amount of \$1,993.10 per month, be and hereby is accepted and said sum be authorized to be expended for the forgoing purposes, final form of agreement to be approved by the Village Attorney.

Trustee Golden made a motion and Trustee Beldock seconded.

Mayor Millman stated there was a need to move forward and implement getting new equipment ASAP. The proposal falls within the budget of \$2,000.00 per month and will include Office 360 which will be beneficial especially to those individuals who use email remotely. Trustee Kuperman stated his objection to Office 360 since many companies are moving to Google or other forms for e-mail. Mayor Millman reiterated the program is included in the proposal and there would be no further costs (ie. Virus Protection) except for special projects.

Village Attorney Berbit indicated the proposal is for a long-term lease (4 years) and at the end of the lease there are three options: continue month to month with the same equipment, continue month to month with new equipment, or terminate lease. Trustee Kuperman questioned if there was a buyout with the lease. Mayor Millman said there isn't but it could be looked into. Village Attorney Berbit has requested buy-out terms.

Mayor Millman recused himself further from the discussion and the vote, stating on the record that although he has no economic connections to Delaney, his firm provides accounting services to same. The Village Attorney concurred with his intent even though a literal conflict did not appear to exist under the General Municipal Law and the Public Officers Law. It is always best to avoid even the vaguest appearance of a conflict, and the minutes should reflect this.

Roll call:

Deputy Mayor Caridi	Absent
Trustee Golden	Yes
Trustee Beldock	Yes
Trustee Kuperman	Yes

Mayor Millman Recused himself (discussed before vote)

Upon vote the motion carries by a vote of 3 – 0, 1 recused.
