

VILLAGE OF MONTEBELLO
Beekeeping Permit Application

The following information is required if you wish to keep beehives as per the **Local Law No. 1 of 2018; Chapter 52 Beekeeping: Permitting and Regulations.**

Rules and Regulations to be met:

- All honeybee colonies shall have their location and number of hives registered annually with the Village of Montebello by the beekeeper.
- All honeybee colonies shall be kept in hives with removable frames, Langstroth type or equivalent, a maximum of 10 frames per box to control bee density; maximum number of hive boxes per approval.
- No hives shall be kept on a lot smaller than 20,000 square feet.
- All colonies must be located at least 75 feet from a public sidewalk, alley, street or road & all colonies must be at least 25 feet from side or rear lot line. All colony entrances shall face inward to the site and away from the nearest adjacent property boundaries.
- The beekeeper must establish a flyaway barrier at least six feet tall and extend 15 feet beyond the colony on each boundary side to control the bee flight path away from the property.
- A substantial labeled barrier must also be erected of approximately four feet in height in order to restrict access by people or animals and to warn people and children from coming in close contact with the hives without supervision.
- Each beekeeper shall ensure that a convenient source of water is available to the bees in sufficient quantity.
- The beekeeper shall maintain a log on site recording significant hive activities.

Complete Application- Application for beekeeping will not be accepted unless all of the below documents and fees are submitted together.

Copy of your property survey depicting with an “A, B, C.....the approximate location of each hive (A), the number of hives (B), flyaway barrier (C), people and pet safety fence (D), and water source (E). If you do not have a copy of your survey, visit Village Hall and look in your property file, there may be a copy.
